 - (xii) What are the 2 ultimate aim of epidemiology which leads to an effective action?

Group-B (Short Answer Type Question)

Answer any three of the following

[5 x 3 = 15]

2. Write short note on Endemic. [5]
3. Write short note on Active Immunity. [5]
4. Write short note on Epidemiological Traid. [5]
5. Write short note on Sporadic [5]
6. Write short note on Epidemic. [5]

Group-C (Long Answer Type Question)

Answer any three of the following

[15 x 3 = 45]

7. Write down the advantages and disadvantages of case control study. [15]
8. (a) Define cold life. [5]
(b) Discuss any 5 types of cold chain equipment's which are used today. [10]
9. (a) What are the different Mortality Rates and Ratios? [5]
(b) What are the different determinants of health? [10]
10. (a) What is source and reservoirs? [5]
(b) Discuss different types of reservoir. [10]
11. (a) What is active and passive immunity? [5]
(b) Discuss different types of immunizing agents. [10]
